FISCAL IMPACT OF ORIGINAL BILL:

Increase State Expenditures - \$97,500

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from original fiscal note.

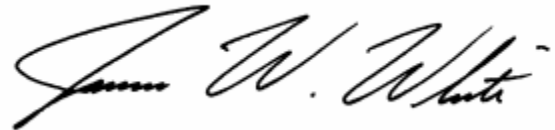

Assumptions applied to amendment:

- This program provides monetary awards of \$100 per student and \$50 per household.
- According to the Department of Education, the four largest school systems with the highest number of children eligible for free and reduced lunch are 1) Memphis City, 2) Davidson County, 3) Knox County, and 4) Hamilton County.
- A total of 325 students will be eligible for this program, 175 students from Memphis City and 50 students from the other three districts. The total cost for monetary payments to students will be approximately \$65,000 ($325 \times \$100 \times 2 \text{ semesters} = \$65,000$). The cost for monetary payments to student households is approximately \$32,500 ($325 \times \$50 \times 2 \text{ semesters} = \$32,500$). The total increase in state expenditures will be \$97,500 ($\$65,000 + \$32,500 = \$97,500$).
- The \$50 payment to parents or guardians will be done on a per household basis rather than a per parent basis.

- According to the Secretary of State, all community enhancement grant funds will be expended by June 30, 2008. If any such funds remain as of June 30, they will revert to the state treasury as of that in the absence of this bill. The cost of this bill is not affected by the source of funding.
